## An Appeal

### **A fund-raising campaign for purchase of office premises for Navi Mumbai Science Foundation (NMSF)**

**Navi Mumbai Science Foundation** is an NGO located in Navi Mumbai, which is dedicated to development of "scientific temperament" in society in general, and the student community in particular.

NMSF primarily conducts scientific programs that involve the student community in the age group 10-17 years. In these programs, NMSF lays emphasis on both innovation and invention. This approach contributes towards a holistic development of the nation, and prepares it to face the challenges posed by a technologically advancing global environment, without losing sight of its societal commitments.

NMSF was informally established in the year 2007. Two years later, it applied for its formal registration at the office of Charity Commissioner, Thane and received i) its Society Registration no. "Maha/2592/10/(Thane)" in the year 2010, & ii) Bombay Public Trust Regn. No. "F/24093/Thane" in the year 2012. In the year 2019, **NMSF also received the following order** for approval u/s 80G(5)(vi) of Income Tax Act 1961: [ITBA/EXM/S/80G/2019-20/1019466908(1), dt. 25.10.2019]. During this period, its activities have grown by leaps & bounds [see website:[www.navimumbaisciencefoundation.org](http://www.navimumbaisciencefoundation.org)].

Since its inception in 2007, NMSF has been functioning from its temporary office, located at the residence of the Founder Chairman, Dr. A. M. Bhagwat. For NMSF to continue to operate effectively, there is a need now for its own permanent office at a convenient location in Navi Mumbai. It will ensure smoother functioning of NMSF and facilitate better engagement with educational institutions.

**Owning an office, will require significant financial investment.** While a part of it may come from NMSF's own resources, the rest needs to be raised from individuals and organizations with a philanthropic outlook, who share NMSF's vision, and would like to support its cause as well as expansion of its activities. **Those willing to make their humble contributions may follow the guidelines given below/ or visit NMSF's website (<http://www.navimumbaisciencefoundation.org>)/ or contact NMSF's Executive Committee members for more information (Dr. A. M. Bhagwat, Mob: 93241 68510; Dr. D. A. R. Babu, Mob; 97699 69694; Shri. M.P. Bellary, Mob: 9082313349).**
